

Merit Awards for Students

Application Guidelines and Criteria

The information provided in this form and supporting documents will be used by the American Society of Nepalese Engineers (ASNEngr) Awards, Grants and Scholarships (AGS) Committee for the application review and award selection process.

To qualify for this award, a student applicant must meet the following eligibility criteria and qualification requirements:

- ✓ The student must be enrolled full-time in an undergraduate program in an accredited engineering/science college or university in Nepal and be in his/her freshman (1st) year of study.
- ✓ The applicant must be an individual of Nepalese origin/descent/heritage. The applicant is required to submit certified/notarized copy of two (2) of the following official documents :Nepali Citizenship, Birth Certificate (VDC, District Offices, Municipalities) or a copy of Nepali Passport picture page.
- ✓ The applicant must be ranked highest among those enrolled in all engineering fields in the merit/admission list of the entrance examination held by the university.
- ✓ The female applicant must be ranked highest among female applicants enrolled in all engineering fields in the merit/admission list of the entrance examination held by the university. Only one female student among all the universities will be awarded with “Merit Awards for Student”.

The completed and signed application form and all supporting documents must be emailed as a single pdf file at info@ASNEngr.org by Tuesday, December 20, 2016. Please visit <http://www.asnengr.org/asne-25.htm> for more information on the Awards, Grants and Scholarship programs of the Society.

The ASNEngr AGS committee may verify the authenticity of the information/documents submitted and may also request for additional information or documents, if needed. ASNEngr reserves the right to accept or decline an application.

American Society of Nepalese Engineers (ASNEng) - a non-profit organization established in September 2007 with IRS 501(c) (3) tax exempt status – aims at providing a common platform for people of Nepalese background and their friends, in engineering and closely related scientific and technical areas to come together, exchange ideas, and support each other for their and the larger society’s common good and benefits. It operates for engineering, scientific and technological research and educational purposes. The Society also strives at promoting engineering, scientific, and technological advancement in Nepal. The Membership application form and detailed information on ASNEng and updates on its recent activities can be found at <http://www.ASNEng.org>.
